ABSTRACT SUBMISSION INSTRUCTIONS

1. All abstracts are to be submitted online at www.dredging-expo.com.
2. All users MUST first register as a "New Users" on the Dredging Summit & Expo website.
3. The registration confirmation email to establish a password will be delivered immediately so please make sure to check your spam/junk mail folder.
4. After receiving the email, click on the link to establish a password.
   - Note: A random generated password will automatically populate the password field. You may use this password, but it's recommended that you establish an easier password to remember.
5. After you have established a password, you will need to log into the Dredging Summit & Expo website.
6. Once logged into the site, you will automatically be redirected to the Author Dashboard where you can upload new abstracts or manage any previously uploaded files and information. The Author Dashboard can be accessed from the "Dashboard" menu tab on the Dredging Summit & Expo website.
7. If you have any issues either registering on the site or submitting your abstract, please contact us at Info@WesternDredging.org.
