To Whom it may concern

Hereby I would recommend NEEKTRADE, S.A. DE C.V., a company that meets all the necessary knowledge to serve as Ship's Agents in a professional manner owing to the fact that they count with trained staff and a good relationship with the port authorities, in which has provided service to my boats in the past 3 years, and during that time has proved to be a serious, responsible company that has been able to respond to my needs as a user of its services.

For which I have no difficulty in extending the present letter for commercial or legal purposes that he may considered.
