

Highlights Tour of Chicago

It is impossible to visit ALL the wonderful sights in Chicago; but guests can see major new, exciting, and unique additions on an all-encompassing tour covering the city's major features in the downtown area, north and south sides.

They will see Chicago's vistas from major parks, including Grant, Lincoln and new and impressive Millennium Park.

Chicagoans take great pride in the city's major contribution to world architecture. In the place where it all began in the 1880s, guests will learn how modern styles evolved and produced the ever-increasing panorama of bewildering structures, and experience first-hand why multitudes acclaim Chicago as "an outdoor museum of architecture."

Lunch at Chicago's Original Deep Dish Pizza - Gino's East

The Gino's East story began in 1966 when two taxi drivers and a friend, frustrated with rush hour traffic, decided to open a pizzeria just off Michigan Ave. and Superior St. in Chicago.

The Original Gino's East became an instant legend with local Chicagoans, national celebrities and visitors from around the world.
