DREDGING CREATES A STRONG ECONOMY AND A CLEANER ENVIRONMENT

WEDA 32/TAMU 43

SECOND CALL FOR PAPERS

“THE NUTS & BOLTS OF DREDGING”

The Western Dredging Association (WEDA) and Texas A & M University will host its Annual Western Hemisphere Dredging Conference (WEDA 32 and TAMU 43) June 10-13, 2012 at the “Crowne Plaza Riverwalk” hotel in San Antonio, Texas. The theme of this conference “The Nuts & Bolts of Dredging” will focus on dredging and environmental issues associated with dredging programs that create a strong economy and enhance the marine environment. This conference will be a forum for discussions between North, Central and South American Dredging Contractors, Port Authorities, Other Government Agencies, Environmentalists, Consultants, Academicians, Civil/Ocean Engineers throughout the Western Hemisphere who work in the exciting fields of dredging, navigation, marine engineering and construction and the enhancement of the marine environment. This announcement is the “First Call for Papers”. Topics of interest include, but are not limited to:

- Western Hemisphere Dredging Projects
- Ports, River, Harbors & Inland Dredging
- Dredging & the W. Hemisphere Economy
- Budgeting & Cost Estimating
- Environmental Dredging
- Dredging for Flood Control
- Beneficial Use of Dredged Material
- Geotechnical Aspects
- Project Case Studies, W. Hemisphere
- Wetland Creation & Restoration
- Dredging Challenges
- Surveying & Mapping
- Dredging for Beach Nourishment
- New Dredging Equipments
- Numerical Modeling
- Environmental Cleanup Sites
- Dredge Safety Issues
- Dredging Operations

The Technical Papers Committee will review all one-page Abstracts and notify authors of acceptance and final manuscript instruction for production of the proceeding on CD's. One page abstracts must include: descriptive title, author names, author contact information (company name, address, phone, fax and email address) and abstract (<300 words). **Submission of Abstract implies a firm commitment from the author to present the paper at the Conference. Abstracts are to be submitted Not Later Than 15 December 2011, Final Manuscripts are Due Not Later Than 29 March 2012.** Interested Authors should send their one page abstract to one of the following:
